## HOBBIES

I do bodybuilding and boxing. I am also really good at power walking. I can't describe how much I love every form of sport and activity.

## PROFILE

I'm a passionate front-end developer who wants to become a professional senior front end developer one day.

I have been learning web design (Photoshop, HTML5, CSS3 (SASS), Bootstrap) for the last 2 years and I am learning it every day.

## EMPLOYMENT HISTORY

May 2019 - May 2019

## EDUCATION

Faculty of ICT, Web Technologies

Belgrade

Oct 2018 - Jun 2021

When I finish faculty I will go one extra year for specialization.
